PRODUCE TIMELINE

Farmers Market

Strawberries- Late March

Rhubarb- Early April

Local Fava Beans- Early/Mid April

Local English Peas- Mid April

Green Almonds- Late April

Cherries- Early May

Apricots- Early May

FIELD-GROWN RED WATERCRESS

We are now offering a beautiful red watercress, with stunning purple leaves and bright green stems and veins. Its crisp texture and slightly spicy flavor make it a popular ingredient in fresh and cooked dishes.

Florida grown, 1.5# case, #90186
