

Hello,

This week, instead of our Market Outlook, we would like to invite you to meet your local farmers and vendors. Please join Produce Plus & Tahoe Central Market for our first annual Harvest Festival!

- \* Meet your local farm and specialty suppliers showcasing their amazing offerings
- \* Sample wonderful wines and fantastic craft beers
- \* Dig into some tasty barbecue and enjoy live music from our own "Mr. D"

WHEN: Saturday, September 27, 1PM to 4PM

WHERE: Tahoe Central Market, 8487 North Tahoe Boulevard, Kings Beach

In addition to music, barbecue and other activities, a particular theme of the festival is "**Where Does Your Food Come From**" a question that is becoming more and more relevant to all of us.

Don't miss this wonderful opportunity, in a truly unique setting for an afternoon of pure enjoyment.

Thank you,

Amber
