

Market Outlook

California Asparagus

LOCAL FEATURE

We are thrilled to announce that the California asparagus has officially started!

California Asparagus- No need to specify, all of our asparagus in house is currently from California. 11# case and pound.

Purple California Asparagus- Purple asparagus stands out with its deep violet color, higher natural sugar content, and lower fiber than green varieties. Best showcased raw or lightly cooked, it delivers a mild, almost nutty flavor and vibrant visual pop for salads, crudos, and plates. 11# case only, item # 11230

LOCAL FAVES

King Richard Leeks- 12ct case

White Spring Onions- 12ct case, Riverdog

Bloomsdale Spinach- 4# case, Riverdog

Spring Garlic- 4# case/per lb, Comanche Creek & Coke Farms

Strawberries- 8/1# case, California

Nantes Carrots- 24ct case, Sunrise Organics

GAPPING & DONE

English Peas- Mid-April (Mexico-grown English peas are currently available by the 25# case and pound)

Cherries and Apricots- Available late April to early May

Unpredictable weather throughout California has made it difficult to determine when we will see new produce arrive. We will have more information in the coming weeks.
